

## 01 Features

- IP69K! Tri-Proof: Water-proof, Dust-proof, Damp-proof and Vapor-proof.
- The PC material is UV resistant and the PE material is corrosion resistant.
- Robust construction with stainless steel caps and clips.
- Patent cylinder design.
- suspension or surface mount installation.

## 02 Spec

SPECIFICATIONS	
AC Voltage (V)	220-400, 120-277V
Power Rating (W)	40W
Lumens(lm)	5200
Efficiency(lm/W)	130
Beam Angle	120°
Dimming Protocol	Programmable Power integrated
Certifications	CETL(UL8800)/FCC Compliance
Warranty (years)	5
Lifetime(hrs)	36,000
Grade	IP66, IK03 impact rating
Working Temp.	-20 to 40 °C
Size	140* 80 mm
Weight	0.90 kg

## 03 Application
