

## 01 Features

- Friendly solution with no pollution to the environment
- Acid and alkali resistance, suitable for harsh environment
- V0 fire proof, IP69K
- Lightweight and easy installation

## 02 Spec

SPECIFICATIONS	
AC Voltage (V)	340-480, 120-277V
Power Rating (W)	200W
Lumens(lm)	24000 lm @6500K
Efficiency(lm/W)	120
Beam Angle	120° /Optional
Dimming Protocol	Programmable Power integrated
Certifications	CETL(UL8800)/FCC Compliance
Warranty (years)	5
Lifetime(hrs)	50,000
Water Proof	IP66
Working Temp.	-30 to 40 °C
Pack Size	360 * 180 mm
Weight	3.5 kg

## 03 Application
