

01 Features

- 3-light choices (fruiting,vegetative,seeding) can be switched freely according to different flower periods.
- Balance full spectrum of blue, yellow and red light from 400nm,730 nm.
- Standard E26 medium base

02 Spec

SPEC	Value
Input	220 V
Power	9 W
PPF($\mu\text{mol/s}$)	20
PPE($\mu\text{mol/J}$)	2.2
Material	Aluminum + plastic + silicon glue
Spectrum	Fruiting 630-680nm, Vegetation (full spectrum) Seeding (400-500 nm)
Dimming	Non dim
Lifetime	15,000 hrs
Product Size	95*95 * 132 mm

03 Application
